RANCHO DEL MONTE CLUB OPENS

Peggy Porter Marquard and Paul Porter, owners of the Rancho Del Monte Country Club, have announced a gala party for the opening of the Club's new Tropicana Room, Saturday, April 28. The cuisine with Felix and Marie in charge promises to have some surprises for the gourmet. The club dining room will be open every day. Lively entertainment has been planned for members and guests this Saturday. A new attraction of the club this year is the charming over night accommodations for non-member guests.

FIESTA DE LAS MONJAS

Dr. William F. Coughlin will act as Master of Ceremonies on Sunday afternoon, May 13, when the quadrangle of the Carmel Mission will be transformed into a festive carnival scene. Proceeds of the Fiesta will be given to the nuns of the Mission school.

W. A. Burke, Bill Woolsey and Walter Tanous will operate a Country Store. Carl Bensberg will man a movie machine for the benefit of the youngsters. Appropriate comedies and Westerns will be selected.

E.W.L. Franklin, Kenneth C. White and Frank J. Sieve will spell each other at the popcorn, candied apples and balloon booth.

There will be a Maypole dance in the afternoon, folk dancing in the evening, a white elephant booth, a fish pond, a hot dog stand, and a dollar dinner served from noon to 8 o'clock; special plate for children.

BARBARA ANN MAY HEADS LIST: OUT OF TOWN LEADS CARMEL

The largest remaining bonus ballots will be awarded Tuesday, May 1, in the CARMEL SPECTATOR'S Circulation Travel Club which is the center of attention in Carmel and vicinity at the present time.

The time is growing shorter and the close of the campaign is in sight. Who will be awarded the stupendous trip to Hawaii with all expenses paid, with seven days at the world-famous Royal Hawaiian Hotel, including sight-seeing tours to the most wonderful and beautiful spots, besides having the exciting pleasure of flying both ways by United Air Lines?

The second grand award is \$200 cash. The winner may spend this any way he wishes and there are marvelous ways to spend such an amount, as everyone knows.

Then, the district awards of \$100 and \$50 cash in each of the three districts are not to be overlooked.

All who do not win an award will be paid fifty cents for each subscription turned in by them. So everybody will be happy, May 18, when the competition closes.

The names of those who are not working have been dropped and the friendly "Battle of Ballots" will be fought out among those left. Any one who would like to try again, whose name has been dropped, may be re-instated by turning in some subscriptions to the SPECTATOR by Tuesday, May 1, 1951.

Out of town club members have taken the lead from the Carmel candidates this week.

Miss Barbara Ann May is again leading, Grant Risdon of Carmel Valley is second, and Miss Peggy

Glaser of Pebble Beach is third. Little Miss Susan Kay, also of Pebble Beach, has made a nice gain in votes, as have Miss Louise Harber, Miss Nancy Dassonville, and Mrs. Wm. Weeks, all of Carmel. Miss Pauline Gonzales has made a large gain also.

ALL SAINTS' AUXILIARY
TO MEET MAY 3

There will be a business meeting of the Women's Auxiliary of All Saints' Episcopal Church in the parish hall, May 3, at 2 o'clock. Tea will follow.

Pictured above is ROBERT FORBES, organist, who will participate in the Musical Art Club's sixty minutes of music, Sunday, from 5 to 6 p.m. The affair will be in the nave of All Saints' Church. The artists to be presented are Mrs. Elizabeth Seccombe, harpist, Robert Forbes, organist, and James Gordon, tenor. The concert, which is open to the public, will feature music by Beethoven, Mendelssohn, Bach, Handel, Gibbs and others.

MODELS HELEN PROSSER, DALE DAWSON, MIMI SCHERMERHORN and JOAN KEMPER appear to be amused by somebody's antics off-stage, which well may be madcap antics of the owners of the new Carmel Valley Country Club--the well known "Big and Little Bobs"--last season with the Carousel in Carmel Valley. On May 13, Harriet Duncan presents a group of 24 models in a grand-scale fashion show on the terraces and by the new pool of the Carmel Valley Country Club. Photograph by GEORGE T. C. SMITH.

RETAILERS GUILD
OF CARMEL

Sparked by the multiplicity of new government regulations as they apply to retail business, Carmel retailers have recently organized the Retailers Guild of Carmel. The idea of the organization originated with Pete Johnston, of the Carmel Art Shop, who has been named chairman. Vice-chairman is Lynn Berwick; secretary, Bob Spencer, and treasurer, John Ruster, C.P.A.

Those eligible include all persons owning and engaged in the retail sale of real and tangible inventories. The purpose of the organization is to perpetuate free American enterprise, to protect the common interest of the small business people of Carmel, and to take steps mutually to protect and insure one another against unreasonable measure in any form.

The Retailers Guild is not a social club. The purpose and meetings are for the conducting of business only. Solicitations must be cleared by the chairman of the guild. No monies of the organization are to be donated to any other organization. Membership fees are: \$5.00 for initiation, \$3.50 per month dues.

A lawyer, John Marsh Laughlin, has been retained to answer any questions of members of a legal nature regarding their businesses.

Further information may be obtained from Mr. Johnston.

well over 25 specialty acts, musical numbers, and skits. Here are some of them:

The Glee Club members of the Girls Sextette and the Barber Shop Quartet will harmonize their way through a group of old, mellow songs. The Girls Sextette, including Benita Updike, Pat Buckman, Gay Masten, Carlene Daniels, Carol Byers and Didi Harber will also do numbers from the score of "South Pacific." Barber Shop Quartet men are Buzz May, Dick Gaymen, Jim Moran and Bill Albee, who will be appropriately attired.

A couple of already-tested, sure fire numbers will be the comedy hospital sketch of four GI's playing cards, which was a big laugh-getter at the Carmel Valley Minstrel Show last year. Also,

STATE'S FARMS**

California's agricultural supremacy, for which the state's outstanding record of rural electrification gets a great share of the credit, has won fresh acclaim nationally, N. R. Sutherland, vice president and general manager of Pacific Gas and Electric Company, revealed

The recognition came with the presentation to P.G. & E. of the 1950 Frank E. Watts Award of Farm Journal magazine for the nation's best program "to promote and sell the use of electrically-operated farm equipment as a means of improving agricultural productive efficiency."

FIRST AID STATIONS FOR BIG SUR AND CARMEL HIGHLANDS...
With the completion of advanced first aid at the Carmel Highlands fire station and a number from the class volunteering to be on call to man a highway first aid station, equipment has already been delivered and signs will soon be erected so that motorists in distress may know where to get help.

Pictured are some of the members of the class conducted by Jack Montgomery, Red Cross First Aid Instructor for the Carmel Chapter. Standing: Jackie Tibbetts, kneeling: Jack Montgomery, instructor, and Mark Tibbetts; acting as victim, Helen Coffman.

Plans include establishment of first aid stations next in Carmel Valley and in Pebble Beach, according to Andy Wiemann, Safety Service chairman. Classes under the direction of Mrs. Peggy Logan are being completed for juniors and adults in the Valley. Twenty-five recently completed both the standard and advanced courses given by Andy Wiemann at the Carmel Woman's Club. Of this group, about ten are going on to become instructors.

OAKLAND SPRING GARDEN SHOW OPENS TODAY

De luxe designs for "Outdoor Living," from glass garden cabanas to canopied living terraces, and thousands of gorgeous flowering plants will share star billing at the forthcoming 1951 California

Spring Garden Show April 27 - May 4 at the Exposition and Auditorium Buildings, Oakland.

Every ultra-modern plan for converting outdoor home areas into al fresco living rooms will be spotlighted at the Garden Show, said Manager-Designer Ned S. Rucker. Acres of brilliantly-blooming spring gardens, landscaped in actual home plot sizes; new floral hybrids never before shown to the public, and realistic mountain waterfall and forest scenes will also be featured, again contributing to the show's reputation as one of the nation's most spectacular.

Among rare plants to make their initial bow to Spring Garden Show visitor will be a fragrant dwarf rhododendron, and new hybrid forms of lilies and azaleas particularly adaptable to West Coast gardening conditions. Special attractions will include the ever-popular tropical exhibits, with exotic displays of rare orchids in realistic jungle settings, colorful anthuriums, African violets and tropical trees and plants.

How to make good telephone service even better....

Your 'information' operator is on the job to serve you... with numbers not listed in your directory. And smart telephone users call her only when they don't find the number they want in the telephone book. Why, they say, make two calls when one will do?

**Why not keep
a list of Long Distance
numbers too?**

Wonder how many long distance users have discovered that a list of the out-of-town numbers they call can be a mighty handy thing. Saves time, you know, if you place your call by number rather than just by name and address. So, next time you call, why not jot down the number of the person you're calling when your long distance operator reports it to you... and start your own long distance number list?

Lots of people spend lots of time designing your telephone set for both beauty and efficiency. Gadgets and attachments only clutter up its clean lines... and perhaps impair its efficiency.

RECLASSIFICATION OF THEATER DISTRICT IMPOSSIBLE, SAYS PLANNING COMMISSION

The April 18 meeting of the Planning Commission brought disillusionment to those residents who hoped at the last minute to institute reclassification proceedings changing from A1 (Theater use) back to R1 (Residential use) the district including the lots on Monte Verde and Casanova on which will be located the new Playhouse Theater, planned by Ted Kuster.

The Commission pointed out that legal opinion furnished by the City Attorney precluded any alternative than to leave the zone unchanged; that any move to the contrary would invite an injunction, and even a damage suit.

The situation was summed up in a letter written to the property

owners by City Clerk Peter Mawdsley for the City Council, which was read to the assemblage. It pointed out that under the decisions of California State law, a property owner who has acquired vested rights under an existing zoning ordinance may not arbitrarily be divested of these rights, and that, as in Kuster's case, these rights do become vested when a permit has been issued or approved and its owner has expended sums of money or assumed obligations on the strength of such permit.

The law further entitles the owner to use of injunction restraining interference with these vested rights, and possibly to damages.

Mawdsley later explained that the zoning of the Theater district was anything but a sleeper play, inasmuch as 18 months had elapsed between Kuster's first application for rezoning and the effective

WOMEN'S GOLF TOURNAMENT AT PEBBLE BEACH MAY 5-6

The second competition of the Weathervane Cross County Golf championship for Women will be played at Pebble Beach on May 5-6, the third at the Meridian Hills Country Club, at Indianapolis, Indiana, May 18-19, and the final 36 holes will be played at the Knollwood Country Club, White Plains, New York, on May 26-27. The first section was played at Dallas on April 14-15.

In each of the four tournaments, the girls will be shooting at \$3,000 in prize money, and the golfer compiling the lowest total for the 144-hole marathon will receive an additional \$5,000 and the Weathervane Trophy, donated by Alvin Handmacher. At least ten amateur prizes will be offered in each of the four city competitions.

ADVERTISING TAX

The proposal of the Joint
Congressional Economic Com-
mittee to put a heavy sales tax
on advertising is both stupid
and dangerous.

The committee knows, or
should know, that advertising,
more than any other one factor,
is responsible for the high stan-
dard of living which this coun-
try enjoys. Any shackles put
on the full use of advertising,
therefore, would definitely be
adverse to the national welfare.

At this particular time,
when inventories are heavily
swollen, advertising is especi-
ally vital to the process of re-
ducing these inventories.
There is never a time, however,
when advertising is less than
vital to sales, to production,
to income and to sound econ-
omic conditions.

In protesting the proposed
tax, Graham Patterson, chair-
man of the Board of the Adver-
tising Federation of America,
declared: "Advertising is a
low-cost sales tool. If adver-
tising were hamstrung or de-
creased by a tax, personal sel-
ling efforts would have to be
increased at higher costs to
retailer and manufacturer, and
and finally to the consumer.
Thus inflation would be in-
creased instead of reduced.

What Do You Say ?

DO YOU FAVOR RENT DECONTROL FOR CARMEL ?

POLAROID One-Minute Photographs

MRS. JOHN McMANUS, house-
wife: "I think the landlord should
get a fair price. And the landlord
should keep his price fair."

STEVE CROUCH, free lance
photographer: "I'd be interested in
seeing the results of a campaign
against decontrol in contrast with
the one now in progress favoring it.
Personally, my mind is open."

LIBBY ZAN, business woman:
"I'm not sure. I think rents probab-
ly would level off. In some areas --
say, around Army camps -- rent
gouging goes on, but I don't think
it would be serious in Carmel."

DALE DAWSON, business
woman: "No decontrol for me.
I think too many landlords would
take advantage of it."

Moreover, if sales were lower-
ed, unemployment would result
not only among sales people,
but in many other fields."

It would be hard to imagine
a more disastrous type of taxa-
tion.

MIDSUMMER CRAFTS AND HOBBY SHOW ANNOUNCED BY CARMEL CRAFT GUILD

At the last monthly business meeting of the Carmel Craft Guild President Joe Frame announced a midsummer crafts and hobby show to be held at the Monterey County Fair grounds, June 23 and 24.

Mr. Merton Hinshaw, curatorial of the Pacific Grove Museum, gave an illustrated lecture on the use of plaster molds and latex models for museum animals. Use of latex makes museum casting of fish, toadstools, and a very lifelike octopus which he casually produced from his coat pocket, a comparatively simple job.

At the next meeting Hazel Dreis will speak on bookbinding.

Those present at the last meeting were J. D. Crookston, N. L. Crookston, E. M. Beecher, J. W. Smyth, Roy Crosby, Janella Crosby, Ethel Ashton, Mrs. Marie Smyth, Helen Beecher, Clara Martinie, Lena Eckert, Mamie Fairlight, Merton Hinshaw, Mrs. Merton Hinshaw, Marian Pomeroy, Roberta Walker, Mabel Miller, Adaline Caillua, Mr. Calley, Judy Crabtree, Dora Crabtree, Blanche Tomie, Hazel Dries, K. OPEN HOUSE AT LOCAL HOSPITAL MAY 12

The Peninsula Community Hospital will observe National Hospital Day on Saturday, May 12, with an "open house" and public reception at the hospital's Medical Annex at Santa Fe and Del Monte Avenues.

Plans for a "behind the scenes" tour of the Medical Annex and the serving of refreshments from 2 p.m. to 4 p.m. have been announced by Miss Katherine Smits, the hos-

pital's administrator.

Attractive and well built, the Annex provides 18 beds and is equipped to serve all medical cases except those requiring X-Ray deep therapy or similar special treatment. Extensive remodeling has been completed, the work having been done with two things in mind--first, to enable the Annex to function as an independent unit and second, to create a bright, homey atmosphere conducive to the well being of the patients.

Ample space on the Annex property for future expansion was one of the many advantages, considered by the hospital's trustees when they purchased the property from Stanford University last year, Miss Smits stated.

What is now the Annex was built in 1924 by Miss Edith Schuffleton, who operated it as a private hospital. In 1934, when the Grace Deere Velie Metabolic Clinic, now the Peninsula Community Hospital, was converted into a general hospital operated on a non-profit basis, Miss Schuffleton sold her equipment to the new hospital and remodeled her building as the Forest Lodge. After about seven years the lodge was closed and in 1942 Miss Schuffleton gave the entire property to Stanford.

In 1943, with over-crowded conditions at the hospital reaching an acute stage, the trustees negotiated with the University to rent the Schuffleton house for the care of long-staying and convalescent cases. It was operated on this basis until 1950, when the property consisting of the building and nine lots was purchased. Since then it has been extensively remodeled.

Miss Smits said that it is the hope of the hospital administration to construct in the near future an addition to the Annex, which will enlarge the medical department and also provide for a modern and complete 20-bed obstetrical unit.

MAC ARTHUR ASKED TO SALINAS RODEO

An invitation extended General Douglas MacArthur to visit the California Rodeo when he was in San Francisco will be given added emphasis soon when the 47 survivors of the infamous Bataan death march from here join in urging him to attend the show June 21-24.

Comfort

is when you don't feel anything!

Most folks think of comfort as a state of repose—a kind of wonderful process that supports you everywhere but touches you nowhere. Actually, it's the little things you don't feel that make you comfortable.

Chair Cars on Southern Pacific's modern streamliners have been built with this thought—your comfort—the first consideration. Dust-free, draft-free air-conditioning. No glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

That's why Chair Cars on Southern Pacific streamliners are the most luxurious form of all low-cost transportation.

ELEANOR BOWER TO GIVE BIBLE LESSONS

Miss Eleanor Bower, for several years a resident of Carmel

and now of Los Gatos, will be a visitor in Carmel on May 4 and 11, when she will hold lectures on the Bible at the home of Mrs. Benjamin Johnson on Camino

Real. Anyone interested is welcome to attend and may make reservation by telephoning Mrs. Johnson.

PEBBLE BEACH NOTES...

Mr. and Mrs. Samuel F. B. Morse returned to their Pebble Beach home a few days ago following a three month cruise in the Mediterranean. The Morses traveled on the maiden voyage of the luxury liner *Independence* and took many side trips from the ship by air and motor, using the great floating hotel as their headquarters. The *Independence* was the first ship to sail on the Bosphorus since the war.

While in Europe they visited the Eric Tyrell-Martins, who formerly made their home in Pebble Beach, and were widely entertained during their stay. Mr. Tyrell-Martin, a ranking polo player, is currently playing No. 3 on the Pasha's polo team which won the Open this year. Mr. Martin is stationed in Egypt with the BOAC.

In Greece the Morses were guests of the Roger Laphams (Mr. Lapham is head of the ECA there), who have a lovely home in Athens.

On their return to the United States they traveled to Philadelphia for a weekend sojourn with the Warren Ingersolls, who are former San Franciscans. In the Morses' honor the J. Story Smiths of Gwynedd Valley entertained at cocktails, Mr. and Mrs. Henry B. Cox of Penlyn were luncheon hosts, and the Ingersolls honored the Morses with a dinner party.

Since their return to Pebble Beach the Morses have been the incentive for a number of affairs. Among those who have entertained for the travelers are Mrs. Francis McComas, Colonel and Mrs. Harold Mack, Mr. and Mrs. Harry Hunt, Mr. Frank T. Heffelfinger and Colonel and Mrs. Paul

S. Winslow.

Mr. James Pell of Honolulu has just terminated a visit at Pebble Beach with his daughter, Patsy, who attends the Douglas School, and with the Paul S. Winslows, who are cousins. Mr. Pell left today for the East.

Colonel and Mrs. Harold Mack were dinner hosts Sunday night in their Carmel home. Among their guests were Mrs. Charles S. Howard, Mr. James Pell, Mr. and Mrs. Paul S. Winslow, Mr. and Mrs. Robert Buckner.

Seen lunching this week at Del Monte Lodge, Pebble Beach, with her mother, Mrs. James C. Doud, was Mrs. Shreve McLaren Archer, Jr. (Peggy Doud) of St. Paul, who with Mr. Archer are spending two weeks on the Monterey Peninsula. Mr. Archer soon reports for duty with the Air Corps.

The newlywed Charles de Limurs spent their honeymoon on the Monterey Peninsula and were luncheon guests at the Cypress Point Club this week.

Mr. William McCormick Blair of Lake Forest, Ill., arrived today to spend a week as the guest of the Samuel F. B. Morses in Pebble Beach. Other Lake Foresters at Del Monte Lodge include Mr. and Mrs. R. Douglas Stuart, Mr. and Mrs. Robert A. Gardner and Mr. and Mrs. Samuel F. Walker. Mr. and Mrs. Robert D. Stuart, Jr., were down from San Francisco while his parents were guests at the Lodge.

WATER PIPE

Subway Transportation System

Beneath the streets of your city a far-flung subway transportation system, built for water exclusively, passes through every section of the area served by your water company. Traveling under pressure, water flows along this subway at just the right speed to arrive at destinations on time—where and when you want it.

Honey-combing the earth of the Monterey Peninsula are some three hundred miles of pipe which, like the trains of the far-famed New York Subway, are always crowded . . . the Peninsula pipe lines carry more than 5,000,000 gallons of water at all times.

Now, pipe is costly merchandise . . . more costly today than ever. For example, ten years ago 8-inch cast iron pipe could be bought for about \$1.14 a foot . . . today it costs more than twice that. The complex assembly of pipes of many kinds and sizes required to carry water from the source to you represents a total investment of more than \$3,000,000 . . . an investment which must be added to each year to provide the new piping facilities necessary to meet the growing demand of this expanding population.

Phone 4900**ANSWER TO THIS WEEK'S****WHO IS IT?**

Our "Who Is It?" this week is another most versatile person. Mr. Joseph F. Frame can turn his hand to the creation not only of the beautiful but of the useful, for he is both artist and craftsman.

Although born in West Virginia, he is practically a native son, since his family migrated to Los Angeles when he was only a year old. There he attended Manual Arts High School, majoring in art, and the Fay Show Card School. For three years he owned his own sign shop in Los Angeles, but later went over to the Los Angeles Examiner on the editorial art staff. While he was doing illustrating and art work on the paper, the war broke out and he soon found himself in France. Paris and work on the Stars and Stripes was next, together with a year of study at Grande Cumiere Art School.

Although the dream of wandering throughout the world painting what he saw hasn't yet been realized, Mr. Frame has "done" much of Europe and has painted in and out of many of America's scenic spots. That's what brought him to Carmel from Nevada, where after the war he had gone to design the beautiful chapel for the Episcopal Summer Camp at Tahoe, just completed last year.

In 1947 Mr. Frame again opened his own sign shop, this time in the Seven Arts Building in Carmel. From there he moved into his present quarters on San Carlos. Although a little hard to find, once one gets inside his workroom there are fascinating things to see--oil paintings of ghost towns, water colors of the Carmel Mission, posters of every conceivable variety, as well as beautifully designed Christmas cards and distinctive letterhead and bill forms all done by an intricate silk screen process. Added to these are the hand-carved signs--attractive evidences of which have appeared outside so many of Carmel's shops and inns. There is also a beautiful carved mahogany "lazy susan"--eventually to be used in his own house-

hold.

Then there are "decals" and painted signs, as well as the new street and avenue signs for Carmel--squirrels for streets and seagulls for avenues--that have already been helpful in keeping visitors from ending up in Seaside as they have sought out their Carmel friends.

Mr. Frame, who has always been a member of the Carmel Craft Guild's board, is now its enthusiastic president. The organization, a growing one, offers much of interest to all who have even a passing fancy for craftsmanship of any kind.

YOUTH FOLLIES

(Continued from Page 3)

Charity Rigaby and Sally Holt's version of the odd-ball record, John and Marcia, with which they wowed the audience at the recent Lions Club Fashion Show. Another Fashion Show repeat is Carol Timbers and Jackie Briggs eccentric dance routine, "Two Gals and a Dummy," for which this is a curtain call.

The Boys Chorus Line will strike the high and low of the evening's comedy at least by the tape measure. Eight boys from 6'5" down to 4'2" in height will step-kick this number, in which you will see Ray March, Myron Branson, Denny Johnson, Buzz Knight, John McKinney, Pat Grimshaw, Ronny Huffman, and Bob Stebbins.

Song solos will vary from sweet and serious numbers like Dick Gaymen's "Ave Maria," by Schubert, and Pat Buckman's "Night and Day," to Katie Brania's knock-out "John Took Me Around to See His Mother;" Jim Moran will sing "I Apologize," and Jeanne Daniels will get "low down" with "Basin Street Blues."

Beatrice May will be understudied by Micky McFail, who will

do the famous songstress' old number "Honey Boy." Carol Templeman and Carol Ann Smith will be seen again in a piano number, with Diane Lewis, called "Four Hands on a Piano." Other specialty numbers include Peggy Weaver's dance number, Janet Miyamoto's spectacular baton-whirling, and an unannounced number by Dick Weer and Ricky Masten.

Among the show's high spots promises to be a Can-Can routine by Sherry Henderson, Barbie Berg, Edwina Brown, Carole Ann Smith, Carole Templeman, Katie Brania, Suzanne Smith and Mavis Jones.

The show's dance numbers will be directed by Joanne Nix, of the Carmel Ballet Academy, whose pupils will do several ballet selections. Director John Farr's Carmel High School Brass Ensemble of the band will present several selections.

Calling the numbers through the program will be joint MC's Howard Veit and Chuck Dawson. Chuck will also operate the public address system. Stage crew is Butch Laugenour, Jane Lowrey, Jerry Coleman, and Said Meheen. Bob Updike and Donna Douglas will be in the box office, where tickets will be on sale for \$1 apiece.

HOLMAN CLUB ENTERTAINS AT FASHION SHOW

Attended by over 300 people, the Holman's Club Spring Fashion Show and Bathing Suit Review was held recently on the second floor of the store. The guests were later served refreshments in the solarium.

Vernon Hurd, general manager of Holman's, introduced president of the club LaVerne Blikre, who welcomed the guests and introduced Mrs. C. T. Lawler, who conducted the fashion show. Fashions suitable for street and play were first shown. During the intermission, while the models changed into late afternoon and evening wear, a riotous bathing suit review was held, with suits dating back to 1889 and concluding with 1951. Norman Sharkey arranged and commented. In a more serious note of the evening, Bill Mayer pinned an orchid on Mrs. Minnie King, who is retiring after 25 years of service with Holman's.

Those responsible for the evening's show and entertainment were Mrs. C. T. Lawler, Mrs. J. A. Blikre, Miss Genevieve Allen, Max Summers and Walter Norwick. Models were Mrs. Kurt Mitchel, Miss Betty Jean Harrington, Mrs. Louis Walker, Miss Gwen Head, Miss Kathy Lewis, Mrs. Robert Mitchell, Mrs. William Mayer, Mrs. Mary Zorsky, Miss June Kress, Mrs. Owen Douglas, Mrs. Lottie Simpson, Mrs. Vincent Selbicky, Miss Sandy Selbicky, Davy Fontenot, Marilyn Hurd, and Judy Tenneson. Featured in the men's fashions were John Jenishian, James Schaar, Jimmie Summers, Frank Campos and Augie Christensen.

The bathing suit review models were Mrs. John Wootan, Mrs. Marian Armer, Mrs. Waits McIntire, Mrs. Joe Bindel, Mrs. Dennis Lynn, Miss Adrien Knoles (Miss Holman Club 1951), and Mr. Emile Ricklef, who was crowned King of the Surf.

Shown above as they modeled are (1) Mrs. Louis Walker, (2) Mrs. Vincent Selbicky, (3) Judy Tenneson, (4) Miss Adrien Knoles, (5) Davy Fontenot, and (6) Marilyn Hurd.

On the refreshment committee were Mr. Walter W. Norwick, Mr. E. Ricklef, Mrs. Opal Hasty, Mrs. John Wootan, Mrs. Catherine Carney, Mr. R. Lakin, Mr. Robert E. Minand, Miss Genevieve Allen, Mr. Frank Redoni and Mrs. Anna Axford.

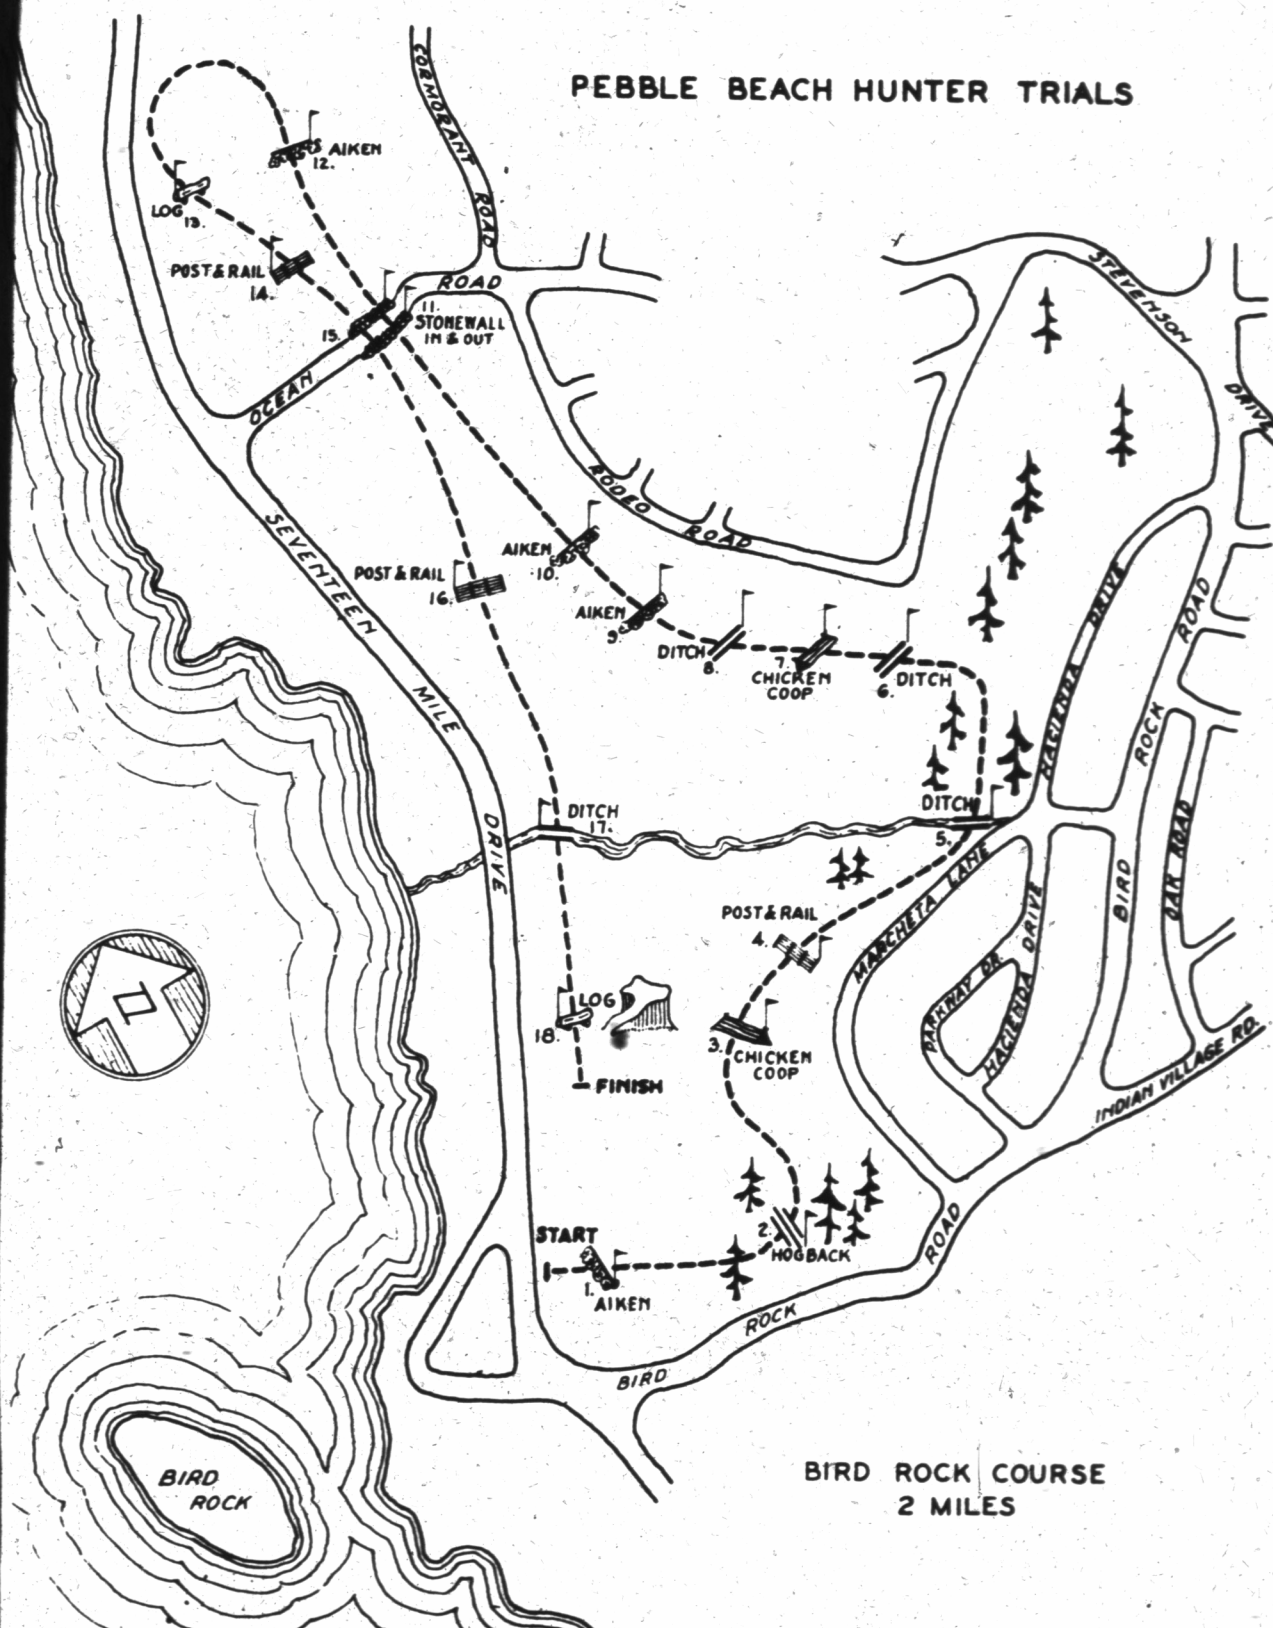

LAST WEEK saw the inauguration of a new series of fashion shows at the Monterey Peninsula Country Club on Tuesdays. Photographer Julian P. Graham was on hand and snapped the photographs above.

1) Mrs. Tremaine Reynolds, Mrs. Edward Dwyer and Miss Barbara May modeling.

2) Mrs. Scott Potter and Mrs. L. Paul Steffen inspect the lounging costume worn by Linda Pedron.

Fashions were shown during luncheon, and bridge and canasta played afterwards.

April 29, and the Pebble Beach Stables Course in the Del Monte Forest, Sunday afternoon.

Early entries in the Sunday afternoon Prix de Nations are: Norma Matthews of Sacramento and her famous jumper "Country Boy," who was flown east last season to compete on an Olympic Team and were featured in Time Magazine recently. Miss Matthews will also bring her new jumper "Oregon Duke," which she has recently purchased from the Barbara Worth Stables. Barbara Busch of Sacramento and her jumper "Charlie" have also entered.

PENNIES & DIMES & PATIENCE.....

THE AMERICAN CANCER SOCIETY makes its yearly collection of coins thrown on the roof above the bar at Barreto's La Fonda.

Pictured above are Richard Osborne, Campaign Chairman, Monterey County; Mrs. Fred Hawes; Mr. Tito Barreto, Manager of La Fonda.

Five years ago, when several Marine veterans from the South Pacific threw their change on the roof above the bar at Barreto's La Fonda, a tradition was born. The coins are left there all year until the American Cancer Society, the sole recipients of all the money thrown there, collect them.

"We got \$231.03 in 1949 before parking meters were installed and when cigarette machines gave change. Last year we got \$157.36, and this year we counted \$118.85," said Barreto.

"Contributions are somewhat below previous years," said Tito Barreto, manager of La Fonda. This he believes is due to the fact that people are keeping their pennies for parking meters instead of throwing them on the roof above the bar as they used to do.

"I hear from my local friends with the American Cancer Society that only \$66.00 was contributed per cancer case last year. An average case of cancer costs \$10,000 per stricken family, and one out of every three families is stricken," said Barreto.

Barreto's father is blind with leukemia (a form of cancer) and he has been contributing to the cancer cause for three years. To help raise more money for cancer, Barreto is working on a raffle planned for this coming year when different bottles of champagne and whiskey, contributed by various people, will be given away.

This famous restaurant has been in Monterey for 11 years and is the only restaurant on the Peninsula contributing its "Wishing Well" money to cancer.

MONTEREY PENINSULA STAMP CLUB MEETING

At the last meeting of the Monterey Peninsula Stamp Club Col. John R. Wright conducted a stamp "quiz" in two parts. Part One consisted of 11 questions on stamp "firsts." The second part of the quiz dealt with the stamps of various countries. Great Britain, for instance, never prints her name on a stamp. Queen Victoria appeared more often on stamps than any other person.

The quiz was followed by a talk by L. S. Stallings of the Stallings Stamp Shop, Carmel. Stallings gave helpful hints on the necessary equipment for stamp collecting. Of these he mentioned the following "gadgets": tongs, a magnifying glass, perforation gauge, stamp lift for the gum, an album (ruled paper may be used), a water mark detector and stamp hinges. Stallings gave humorous and valuable hints gathered from his wide personal experience with stamp collectors. He recommended a small world album for children. Even twins should each own a separate album. Stallings exhibited pages from a collection mounted on ruled paper. Each stamp was framed with hand-drawn lines and artistically arranged. These pages

were afterwards given as door prizes and won by Col. Harry Henry of Pacific Grove, who specializes in Mexican stamps.

The next meeting of the Monterey Peninsula Stamp Club will be an auction meeting, held in the cafeteria of Sunset School, Monday evening, May 7, at 8 p.m.

All philatelists on the Peninsula and their friends are cordially invited to come and enjoy the fun of a stamp auction. If you have surplus stock or duplicates which you wish to turn into cash, bring them along (following auction instructions).

The auctioneer, E. R. Blankenship, runs the bids up in an entertaining manner. This is a large group of collectors, young and old, who meet informally and really enjoy this "hobby of kings."

Plenty of power for production...
and some of those who created it

Last year 368 new, large industrial and commercial users were connected to P. G. and E. lines—including oil refineries, steel fabrication, chemical plants—the very sinews of American industry. Their power needs were met, with ample reserve to spare.

By summer our post-war construction program will have doubled our 1945 capacity.

All this took planning ahead and prompt action by many people. And as industry expands, P. G. and E. is ready and will continue to be ready with the power...and at rates among the lowest in the nation.

REMAINS AT AGA, INC.
TILL MAY 5**

By popular request the Barbara Herbert exhibit, which has been showing the past month at the Artists Guild of America, Inc. Galleries, will be extended to May 5, according to Harold Smithson, president.

Miss Herbert's exhibit of sculpture, oil florals, pastels of strange madonna-like women, and unusual finger paintings have attracted widespread attention on the Peninsula. This, incidentally, is the first Peninsula showing of this versatile San Francisco artist, whose commissions have included famous international personages.

Beginning May 10 and lasting through May 31, the striking paintings of Captain Anders Gittelson will be exhibited. The famous Armin Hansen, N.A., etchings will be on exhibit simultaneously in the Mezzanine Gallery.

GOLDEN BOUGH THEATER

(Continued from Page 5)

date, December 19, 1946. It was during this period, he pointed out, that complaints should have been filed.

Actually, the rezoning received much publicity at the time, since a new theater zone was created to restrict it from general business development, and at least 50 per cent of Kuster's immediate neighbors signed their approval on his initial application. There were no objections raised in further meetings before the Planning Commission and City Council during this period.

Some of the chief objections now raised by neighborhood residents are questions of fire control, traffic problems, and general disturbance. Also fears that the theater might eventually be taken over by outside commercial interests have been broached. Kuster, however, has pointed out that the theater will be smaller and less conspicuous in the actual building than even the original approved plans, and that it would be too small to interest such groups.

One critic of the present zoning regulation, Mrs. C. W. Wentworth, expressed the opinion that the planning commission had "not acted in good faith" in failing to protect residents from intrusion of their privacy, with or without action on the part of the citizens themselves. Mr. Wentworth, her husband, stated that they liked the Golden Bough when it was a small theater owned by Kuster himself, and not a corporation. This needed the corporation's secretary, Mrs. Barbara Norberg, into a sharp retort from the floor: "Am I to understand that 250 of your co-citizens in this town are less worthy of owning a theater than Mr. Kuster?" Mr. Wentworth stated he'd rather not go into that.

Commissioner Donald Craig promised that heavy parking problems, one of the most frequent objections, would be satisfactorily handled by the Carmel police.
